**TERMS OF TRANSFER**

(Clause 6.7)

**1. COMMERCIAL REDRESS PROPERTIES TO BE SUBJECT TO THESE TERMS OF TRANSFER**

1.1 If the transfer value of the cleared current surplus land:

1.1.1 is agreed at least 20 business days prior to settlement date; and

1.1.2 does not exceed the available quantum amount,

then the terms of transfer contained in this part 2.1 shall apply to the cleared current surplus land and references to:

1.1.3 a commercial redress property shall be read to include the cleared current surplus land; and

1.1.4 the governance entity shall be a reference to the purchasing governance entity or entities.

1.2 If the transfer value of the cleared non-operational land:

1.2.1 is agreed at least 20 business days prior to settlement date; and

then the terms of transfer contained in this part 2.1 shall apply to the cleared non-operational land and references to:

1.2.3 a commercial redress property shall be read to include the cleared non-operational land; and

1.2.4 the governance entity shall be a reference to the purchasing governance entity or entities.

1.3 If the transfer value of the leaseback land or a single lease area:

- 2.1.1 the disclosed encumbrances affecting or benefiting that property (as those disclosed encumbrances may be varied under paragraph 2.2 below); and
  - 2.1.2 if the property is the leaseback land or single lease area, the lease referred to in paragraph 5 of part 6.1 of the schedule.
- 2.2 The Crown and the governance entity may agree in writing to vary or add to the disclosed encumbrances affecting a commercial redress property.
- 2.3 The governance entity must not unreasonably withhold or delay its consent to varying a disclosed encumbrance or granting a new encumbrance affecting a commercial redress property. **3. OBLIGATIONS PRIOR TO SETTLEMENT DATE**

- 3.1 The Crown must maintain a commercial redress property, or ensure its maintenance, until the settlement date in substantially the same condition as it is in at the date of this deed, fair wear and tear excepted.
- 3.2 Between the date of this deed and the settlement date the Crown must consult with, and obtain the prior written consent of, the governance entity (which will not be unreasonably withheld or delayed) before:
- 3.2.1 agreeing to any material variation in the terms of a disclosed encumbrance affecting or benefiting a commercial redress property; or
  - 3.2.2 procuring any consent, or providing any waiver, under the Resource Management Act 1991, or other legislation, that materially affects a commercial redress property.

- 3.4 The Crown must pay all charges for electric power, gas, water, and other utilities that the Crown owes as owner of a commercial redress property until the settlement date except

where those charges are payable by any tenant or occupant directly to the relevant supplier.

- 3.5 Subject to the terms of any disclosed encumbrance affecting a commercial redress property, the Crown must use reasonable endeavours to obtain permission for the governance entity (or a person authorised by the governance entity), upon reasonable notice, to enter a commercial redress property on one occasion before the settlement date to examine it.

**4. POSSESSION AND SETTLEMENT**

- 4.1 On the settlement date:

4.1.1 possession must be given and taken of a commercial redress property subject to the disclosed encumbrances (as they may be varied under paragraph 2.2 of this part); and

4.1.2 vacant possession must be given and taken of a commercial redress property if it is not:

- (a) a leaseback property, the leaseback land or single lease area; or
- (b) subject to any disclosed encumbrance (as they may be varied under paragraph 2.2 of this part) that prevent vacant possession being given and taken.

- 4.2 Subject to paragraphs 4.3 and 10.1.2, the Crown must provide the governance entity with the following in relation to a commercial redress property on the settlement date:

4.2.1 evidence of:

- (a) a registrable transfer instrument; and

necessary, to effect the transfer electronically (the "**electronic transfer instruments**"); and

- 4.3.3 the governance entity must ensure its solicitor, a reasonable time before the settlement date, certifies and signs the transfer instrument for the property prepared in the Landonline workspace under paragraph 4.3.2(a)(ii); and
- 4.3.4 paragraphs 4.3.2 and 4.3.3 are subject to paragraph 10.1.2.
- 4.4 The **relevant legislation** for the purposes of paragraph 4.3 is:

  - 4.4.2 the Land Transfer (Computer Registers and Electronic Lodgement) Amendment Act 2002.
- 4.5 All outgoings and incomings (including rates, excluding insurance premiums) must be apportioned at the settlement date.
- 4.6 The Crown must supply a statement of apportionments to the governance entity before the settlement date. On the settlement date:
  - 4.6.1 the governance entity must pay to the Crown the amount by which the outgoings (except for insurance premiums) for a commercial redress property pre-paid by the Crown in respect of a period after the settlement date exceed the incomings received by the Crown for that period; or

- 4.7 With the exception of the leaseback land or any single lease areas, the Crown must make available to the governance entity on the settlement date any keys to gates, exterior doors, and electronic door openers (if any) and/or security codes to alarms (if any) for a commercial redress property that are in the possession of the Crown at the settlement date provided that the Crown shall not have any obligation under this paragraph where in the Crown's reasonable opinion, due to the nature of the commercial redress property, it would be inappropriate to make such items available.
- 4.8 A commercial redress property must be transferred inclusive of all fixtures and fittings that are owned by the land holding agency and are situated on the commercial redress property at the date of this deed, except in the case of leaseback land or single lease areas, in which case ownership of all lessee's improvements that are required for operational purposes as specified by the land holding agency remain with the lessee.   - 5.2.1 the governance entity must complete the transfer of the commercial redress property at its transfer value on the condition that the Crown pay to the governance entity an amount equal to the amount (if any) by which the transfer value for the commercial redress property is more than the value of the commercial redress property as at the settlement date as a result of the destruction or damage; and
  - 5.2.2 either party may give the other party notice in writing requiring that any dispute as to the application of this paragraph 5.2 be determined by an arbitrator to be appointed by the president of the New Zealand Law Society and the party serving the notice may at any time after that refer the dispute to the arbitrator for determination under the Arbitration Act 1996.

  - 5.3.2 upon the determination of the dispute the Crown shall pay to the governance entity within 7 business days from such determination a sum equal to the diminution in value of the commercial redress property and interest from settlement date to the date of that payment at the rate set out in clause 6.4.2 of Te Whakatau / deed of settlement.
- 5.4 The governance entity will not be required to take over from the Crown any insurance policies in relation to a commercial redress property.

  - 7.2.2 may not make any objections to, or requisitions on, it.
- 7.3 Except as otherwise expressly set out in this part 2.1 no error, omission or misdescription of a commercial redress property or its title shall annul the transfer of the commercial redress property.

10.3.2 all obligations and rights will be performed and arise as if full legal title had passed to the governance entity on the settlement date.

**11. MISCELLANEOUS**

**Further assurances**

11.1 The Crown and the governance entity must, at the request of the other, sign and deliver any further documents or assurances and do all acts and things that the other may reasonably require to give full force and effect to clause 6 of Te Whakatau / deed of settlement and this part 2.1.

VALUATION PROCESS FOR INDEPENDENTLY VALUED ASSETS

**VALUATION PROCESS FOR INDEPENDENTLY VALUED ASSETS**

(Paragraph 1.2.1(a) of part 3.1)

**1. APPLICATION OF THIS PART**

- 1.1 This part 3.3 applies to an independently valued asset if the transfer value of that property is to be determined or agreed under this part pursuant to paragraph 1.2.1.

**2. DISCLOSURE**

- 2.1 The land holding agency will, within 10 business days of being given notice by the governance entity under paragraph 1.1 of part 3.1 (or paragraph 1.2 of parts 4.1, 5.1 or 6.1 as the case may be) that the governance entity is interested in purchasing an independently valued asset, give the governance entity all material information that relates to the independently valued asset of which the land holding agency is aware. The date the governance entity gives the land holding agency such notice is the "notification date".
- 2.2 The information that the land holding agency gives under paragraph 2.1 above will include all encumbrances of which the land holding agency is aware that affect or benefit the independently valued asset.

**3. VALUATION DATE**

- 3.1 The **valuation date**, in relation to an independently valued asset, will be as at the notification date.

**4. APPOINTMENT OF VALUERS AND ARBITRATOR**

- 4.1 No later than 5 business days after the notification date, the governance entity and the land holding agency must each:
- 4.1.1 appoint a registered valuer;
  - 4.1.2 instruct the registered valuer to assess the market value of the independently valued asset and its market rental if an independently valued asset is a leaseback property to a department other than the Ministry of Education, on the terms of the agreed instructions to valuer attached as the appendix to this part 3.3 and in accordance with this part 3.3; and
  - 4.1.3 notify each other of the identity of the registered valuer.
- 4.2 The Crown and the governance entity must ensure that the terms of appointment of their respective registered valuers require the valuers to participate in the valuation process.
- 4.3 The Crown and the governance entity must endeavour to agree on and appoint a person who is suitably qualified and experienced in determining disputes about the value and rental of assets similar to the independently valued asset no later than 10 business days after the notification date.

**3.3 ALL DEFERRED SELECTION PROPERTIES

- 4.4 If no appointment has been made under paragraph 4.3 above by that date, the Crown must request that the President of the New Zealand Institute of Valuers make the appointment.
- 4.5 An appointment of an arbitrator is made once the appointee has confirmed that he or she will conduct an arbitration, if requested by the Crown, in accordance with this part.

**5. VALUATION REPORTS**

- 5.1 Either the Crown or the governance entity may carry out an inspection of the independently valued asset. The registered valuer of the Crown or the governance entity intending to carry out an inspection must give at least 5 business days' notice of the date and time of the inspection to the other registered valuer appointed under this part and give that valuer an opportunity to attend the inspection.
- 5.2 The Crown's valuer and the governance entity's valuer must each prepare a valuation report that includes their respective assessments of the market value of the independently valued asset and the market rental if the independently valued asset is a leaseback property to a department other than the Ministry of Education, on the valuation date.
- 5.3 The land holding agency and the governance entity must each deliver a copy of its valuation report to the other by no later than 50 business days after the notification date (the "**valuation exchange date**").
- 5.4 Both valuation reports must:
- 5.4.1 meet the requirements of the New Zealand Institute of Valuers' Standards and other relevant standards insofar as those requirements are consistent with this part 3.3;

    - (a) a statement of valuation policies; and
    - (b) relevant market and sales and leasing information.

**6. SINGLE VALUATION REPORT MAY DETERMINE TRANSFER VALUE**

- 6.1 If only one valuation report is delivered by a party by the valuation exchange date, then the assessment of:
- 6.1.1 market value in that report will be the transfer value; and
  - 6.1.2 market rental in that report will be the commencement rent for a leaseback property to a department other than the Ministry of Education.

3.3 ALL DEFERRED SELECTION PROPERTIES  
VALUATION PROCESS FOR INDEPENDENTLY VALUED ASSETS

**7. NEGOTIATIONS TO AGREE MARKET VALUE**

- 7.1 If each party has provided a valuation report, the Crown and the governance entity must endeavour to agree on, and record in writing, the market value and market rental if the independently valued asset is a leaseback property to a department other than the Ministry of Education. The amount agreed as the market value is the transfer value, and the amount agreed as the market rental is the commencement rent.
- 7.2 Where transfer value or commencement rent is not determined or agreed within 20 business days after the valuation exchange date, the determination of the transfer value and the commencement rent must be referred to an arbitrator in accordance with paragraph 8 below.

**8. DETERMINATION OF MARKET VALUE**

- 8.2 The arbitrator must promptly give notice of a meeting to be attended by the Crown and the governance entity and their registered valuers, at a venue and time to be decided by the arbitrator after consultation with the parties but not later than 30 business days after the arbitration commencement date.
- 8.3 The Crown and the governance entity must by no later than 5.00pm on the day which is 5 business days prior to the date of the meeting give to the arbitrator and to each other their valuation reports, sales and rental evidence and any submission or expert evidence based on that information that the Crown or the governance entity intend to present at the meeting.
- 8.4 At the meeting, the arbitrator must:
- 8.4.1 establish a procedure and give each party the right to examine, cross-examine and re-examine the registered valuers and other experts appointed by the other parties in relation to the information provided to the arbitrator; and
  - 8.4.2 have regard to the requirements of natural justice in the conduct of the meeting.
- 8.5 The arbitrator shall hold the meeting and give his or her determination of the market value and market rental no later than 50 business days after the arbitration commencement date.
- 8.6 The transfer value will be the arbitrator’s determination of the market value and the commencement rent will be the arbitrator’s determination of the market rent for a leaseback property to a department other than the Ministry of Education. That determination must be no higher than the higher, and no lower than the lower, of the assessment of market value and market rent contained in the Crown’s valuation report and in the governance entity’s valuation report.
- 8.7 The determination of the arbitrator is final and binding on the Crown and the governance entity.

- 5.5 All outgoing and incoming (including rates, excluding insurance premiums) must be apportioned at the actual deferred selection settlement date.
- 5.6 The Crown must supply a statement of apportionments to the governance entity before the actual deferred selection settlement date. On the actual deferred selection settlement date:
- 5.6.1 the governance entity must pay to the Crown the amount by which the outgoing (except for insurance premiums) for the deferred selection properties pre-paid by the Crown in respect of a period after the actual deferred selection settlement date exceed the incoming received by the Crown for that period; or
- 5.6.2 the Crown must pay to the governance entity the amount by which the incoming received by the Crown in respect of a period after the actual deferred selection settlement date exceed the outgoing (except for insurance premiums) for the deferred selection property pre-paid by the Crown for that period.
- 5.7 The Crown must make available to the governance entity on the actual deferred selection settlement date any keys to gates, exterior doors and electronic door openers (if any) and/or security codes to alarms (if any) for the deferred selection property that are in the possession of the Crown at the actual deferred selection settlement date provided that the Crown shall not have any obligation under this paragraph where in the Crown's reasonable opinion, due to the nature of the deferred selection property, it would be inappropriate to make such items available.
- 5.8 The deferred selection property must be transferred inclusive of all fixtures and fittings that are owned by the Crown and are situated on the deferred selection property at the notification date, except in the case of a leaseback property, in which case ownership of all lessee's improvements remain with the land holding agency.

- 6.2 In the event that, prior to the actual deferred selection settlement date, the deferred selection property is destroyed or damaged and such destruction or damage has not been made good by the actual deferred selection settlement date, then the following provisions apply:
- 6.2.1 the governance entity must complete the transfer of the deferred selection property at its transfer value on the condition that the Crown pay to the governance entity an amount equal to the amount (if any) by which the transfer

value for the deferred selection property is more than the value of the deferred selection property as at the actual deferred selection settlement date as a result of the destruction or damage; and

6.2.2 either party may give the other party notice in writing requiring that any dispute as to the application of this paragraph 6.2 be determined by an arbitrator to be appointed by the president of the New Zealand Law Society and the party serving the notice may at any time after that refer the dispute to the arbitrator for determination under the Arbitration Act 1996.

6.3 If a dispute relating to a claim by the governance entity for a diminution in value of the deferred selection property under paragraph 6.2.2 is not determined by the actual deferred selection settlement date, then:

6.3.1 settlement shall take place on the actual deferred selection settlement date in accordance with this part 3.5 as if there had been no destruction or damage; and

6.3.2 upon the determination of the dispute the Crown shall pay to the governance entity within 7 business days from such determination a sum equal to the diminution in value of the deferred selection property and interest from settlement date to the date of that payment at the rate set out in clause 6.4.2 of Te Whakatau / deed of settlement.

6.4 The governance entity will not be required to take over from the Crown any insurance policies in relation to the deferred selection property.

**7. TRANSFER VALUE**

7.1 To avoid doubt, the parties acknowledge that the transfer value of the deferred selection property will not be affected by:

7.1.1 any addition or variation to the disclosed encumbrances agreed in writing by the Crown and the governance entity under paragraph 3.2 of this part; or

7.1.2 any variation to a disclosed encumbrance agreed by the Crown and the governance entity under paragraph 4.2.1 of this part.

**8. BOUNDARIES, TITLE, ETC**

8.1 The Crown will not be bound to point out the boundaries of a deferred selection property.

8.2 If the deferred selection property is subject only to disclosed encumbrances (as they may be varied under paragraph 3.2 of this part), the governance entity:

8.2.1 will be treated as having accepted the Crown's title to the deferred selection property as at the actual deferred selection settlement date; and

8.2.2 may not make any objections to, or requisitions on, it.

8.3 Except as otherwise expressly set out in this part 3.5 no error, omission or misdescription of the deferred selection property or its title shall annul the transfer of the deferred selection property.

8.4 The Crown will not be liable to pay for, or contribute towards, the expense of erection or maintenance of any fence between the deferred selection property and any contiguous land of the Crown (unless it is the Crown that requires the fence in which case the Crown shall meet all the costs of erecting the fence), and:

8.4.1 this paragraph will not continue for the benefit of any subsequent purchaser of the contiguous land; and

8.4.2 the Crown may require the inclusion of a fencing covenant to this effect in any transfer of the deferred selection property.

**9. OBLIGATIONS AFTER SETTLEMENT**

9.1 If the Crown receives any notice or demand in relation to the deferred selection property from the Crown, any territorial authority or any tenant after the actual deferred selection settlement date, the Crown will, if not paying or complying with such notice or demand, promptly deliver it to the governance entity or the governance entity's solicitor and, if the Crown fails to do so, the Crown will be liable for any penalty incurred.

9.2 Immediately after the actual deferred selection settlement date, the Crown will give notice of the transfer of the deferred selection property to the territorial authority having jurisdiction in respect of that property.

**10. DISCLOSURE INFORMATION**

10.1 The Crown warrants to the governance entity that the disclosure information in relation to the deferred selection property is all the material information about the property that the land holding agency is aware of at the date of providing that information having inspected its records but not having undertaken a physical inspection of the deferred selection property or made enquiries beyond its records.

10.2 Except as provided in paragraph 10.1, the Crown gives no representation or warranty (whether express or implied) nor accepts any responsibility with respect to:

10.2.1 the deferred selection property including as to its ownership, management, occupation, physical condition, use or compliance with:

(a) any legislation including by-laws; or

(b) any enforcement or other notice, requisition or proceedings issued by any authority; or

10.2.2 the completeness or accuracy of the disclosure information in relation to the deferred selection property.

10.3 The governance entity acknowledges that (although the Crown is not giving any representation or warranty in relation to the deferred selection property except as provided in paragraph 10.1 of this part) the governance entity had the opportunity prior to the deferred selection settlement date (in addition to being able to examine the disclosure information) to:

10.3.1 inspect the deferred selection property; and

10.3.2 determine its state and condition.

## 11. DELAYED TRANSFER OF LEGAL TITLE

11.1 The Crown covenants for the benefit of the governance entity that it will:

11.1.1 arrange for the creation of a computer freehold register for the land of a deferred selection property that:

- (a) is not contained in a computer freehold register; or
- (b) is contained in a computer freehold register or registers but together with other land; and

11.1.2 transfer the fee simple estate in a deferred selection property to which paragraph 11.1.1 applies as soon as reasonably practicable after complying with that paragraph in relation to the property but not later than five years after the deferred selection settlement date.

11.2 The covenant given by the Crown under paragraph 11.1 shall have effect and be enforceable, despite being positive in effect and there being no dominant tenement.

11.3 If paragraph 11.1 applies then, for the period from the actual deferred selection settlement date until the date that the Crown transfers the title to that deferred selection property to the governance entity:

11.3.1 the governance entity will be the beneficial owner of that property; and

11.3.2 all obligations and rights will be performed and arise as if full legal title had passed to the governance entity on the actual deferred selection settlement date.

## 12. DELAY IN SETTLEMENT PROVISIONS

12.1 If, from any cause whatever (save the default of the Crown), all or any part of the transfer value or any other moneys payable by the governance entity to the Crown is not paid on the deferred selection settlement date, the Crown shall not be obliged to give possession to the governance entity, and the governance entity shall pay to the Crown default interest at the rate of 12% per annum on all or that part of the transfer value (plus GST if any) so unpaid for the period from the deferred selection settlement date to the actual deferred selection settlement date, but without prejudice to any other rights or remedies available to the Crown at law or in equity.

12.2 If, without the written agreement of the parties, settlement is not effected on the deferred selection settlement date then without prejudice to the rights of the party not in default the following provisions shall apply:

12.2.1 either the Crown or the governance entity may at any time after the deferred selection settlement date serve on the other of them notice in writing ("**settlement notice**") to effect settlement but the notice shall be effective only if the party serving it is at the time of service either in all material respects ready able and willing to proceed to effect settlement in accordance with the settlement notice or is not so ready able and willing to effect settlement only by reason of the

default or omission of the other party. For the sake of clarity the governance entity acknowledges that it may not serve a settlement notice where there is a delay or transfer of legal title as contemplated by paragraph 11;

12.2.2 upon service of a settlement notice, the party on which the settlement notice is served shall effect settlement within 10 business days after the date of service of the settlement notice (excluding the date of service) and in respect of that period time shall be of the essence but without prejudice to any intermediate right of cancellation (if any) by the other party; and

12.2.3 if the party in default does not comply with the terms of a settlement notice then without prejudice to any other rights or remedies available to the party serving the settlement notice at law or in equity that party may cancel the agreement constituted by paragraph 2.1 of part 3.1 by written notice.

**13. MISCELLANEOUS**

**Further assurances**

13.1 The Crown and the governance entity must, at the request of the other, sign and deliver any further documents or assurances and do all acts and things that the other may reasonably require to give full force and effect to clause 6 of Te Whakatau / deed of settlement and this part 3.5.

**Non-merger**

13.2 On transfer of a deferred selection property to the governance entity, the provisions of this part 3.5 will not merge and, to the extent any provision has not been fulfilled, will remain in force.

(

4.1 CLEARED CURRENT SURPLUS LAND - RIGHT TO ACQUIRE

RIGHT OF SELECTION OVER CLEARED CURRENT SURPLUS LAND

1. NOTICE OF INTEREST

- 1.1 The New Zealand Defence Force ("NZDF") declared approximately 6.5 hectares of land ("**current surplus land**") surplus to requirements on 1 March 2010. By 31 December 2010 ("**review date**") the Crown will advise the governance entity, the Ngāti Apa ki te Rā Tō Trust and the Rangitāne o Wairau Settlement Trust of the current surplus land. The notice given by the Crown under this paragraph 1.1 shall be in writing and given by personal delivery by way of tracked courier to the recipients' street addresses.
- 1.2 The governance entity may at any time within 40 business days from and after the offer date give notice to the Crown that the governance entity is interested in acquiring all or part of the cleared current surplus land.
- 1.3 Upon expiry of the time period in paragraph 1.2, the Crown will immediately notify all the governance entities of which governance entities, if any, are interested in acquiring all or part of the cleared current surplus land ("**interest notice**"). If the Crown has not received notice from a governance entity within the time period set out in paragraph 1.2, the Crown will be entitled to treat that lack of a response as notice that the governance entity is not interested in acquiring all or part of the cleared current surplus land.
- 1.4 If the Crown gives an interest notice that the governance entity, or the governance entity and any one or more of the other governance entities, is or are interested in acquiring any or all of the cleared current surplus land, then the governance entity or entities that are identified in the interest notice will, within 60 business days of receipt of the interest notice, decide on matters relating to the transfer of all or part of the cleared current surplus land ("**proposed transfers**"), including:
- 1.4.1 whether the cleared current surplus land (or part thereof) is proposed to be transferred to the acquiring governance entities as tenants in common and, if so, in what shares; or
- 1.4.2 whether the cleared current surplus land (or part thereof) is proposed to be transferred to the governance entity and/or the Ngāti Apa ki te Rā Tō Trust and/or the Rangitāne o Wairau Settlement Trust as separate freehold computer registers.
- 1.5 If requested by the governance entity or entities, the Crown shall participate in the process to assist the governance entity or entities decide on the matters set out in paragraph 1.4. - 1.3 Upon expiry of the time period in paragraph 1.2, the Crown will immediately notify all the governance entities of which governance entities, if any, are interested in acquiring all or part of the cleared non-operational land ("**interest notice**"). If the Crown has not received notice from a governance entity within the time period set out in paragraph 1.2, the Crown will be entitled to treat that lack of a response as notice that the governance entity is not interested in acquiring all or part of the cleared non-operational land.
- 1.4 If the Crown gives an interest notice that the governance entity, or the governance entity and any one or more of the other governance entities, is or are interested in acquiring any or all of the cleared non-operational land, then the governance entity or entities that are identified in the interest notice will, within 60 business days of receipt of the interest notice, decide on matters relating to the transfer of all or part of the cleared non-operational land ("**proposed transfers**"), including:
  - 1.4.1 whether the cleared non-operational land (or part thereof) is proposed to be transferred to the acquiring governance entities as tenants in common, and if so, in what shares; or

- 1.5 If requested by the governance entity or entities, the Crown shall participate in the process to assist the governance entity or entities to decide on the matters set out in paragraph 1.4. Throughout the process set out in paragraph 1.4, the Crown will, subject to any obligations of confidentiality that it may have, respond to reasonable requests from the governance entities for information relating to the cleared non-operational land and the transfer process.
- 1.6 On or before the expiry of the time period in paragraph 1.4, the governance entity must notify the Crown in writing (with the written approval of any other governance entities that are identified in the interest notice) of the matters decided upon in paragraph 1.4 above (the "**transfer notice**").
- 1.7 Within 20 business days of receiving the transfer notice the Crown, acting reasonably, may accept, or suggest amendments to the transfer notice.
- 1.8 The Crown will not accept and will suggest amendments to the transfer notice where only part of the cleared non-operational land is being transferred, and the part of the cleared non-

- 1.10 If the Crown suggests any amendments in writing to the transfer notice pursuant to paragraph 1.6, 1.7 or 1.8, then the governance entity will have 20 business days to re-issue its transfer notice (with the written approval of any other governance entities that are identified in the interest notice) ("**amended transfer notice**").
- 1.11 Within 10 business days of receiving an amended transfer notice the Crown, acting reasonably, may accept or decline to accept the amended transfer notice issued under paragraph 1.10 and may have regard to the matters outlined in paragraph 1.8 and 1.9 in making its decision.
- 1.12 If the transfer notice or the amended transfer notice is not accepted by the Crown, then the Crown or the governance entity may give the other party notice in writing requiring that any dispute as to whether the proposed transfers in the amended transfer notice addresses the Crown's requirements and concerns in paragraph 1.8 and 1.9, be determined by an arbitrator. The arbitrator is to have relevant commercial experience and is to be appointed by the president of the New Zealand Law Society and the party serving the notice may at any time after that refer the dispute to the arbitrator for determination under the Arbitration Act 1996.
- 1.13 If the Crown accepts a transfer notice or any amended transfer notice or the matter is determined pursuant to the dispute resolution process in paragraph 1.12 ("**Crown acceptance**") then within 25 business days of the Crown acceptance the Crown and the governance entities identified in the interest notice will:
- 1.13.1 agree whether the valuation process to be used to determine the transfer value of the cleared non-operational land is the process set out in:
    - (a) part 3.3 of the schedule - Valuation Process for Independently Valued Assets (for the avoidance of doubt there shall be only one valuer appointed for the governance entities. **7. BOUNDARIES, TITLE, ETC**

7.1 The Crown will not be bound to point out the boundaries of the cleared non-operational land.

7.2 If the cleared non-operational land is subject only to disclosed encumbrances (as they may be varied under paragraph 2.2 of this part), the relevant governance entity:

7.2.2 may not make any objections to, or requisitions on, it.

7.3 Except as otherwise expressly set out in this part 5.3 no error, omission or misdescription of the cleared non-operational land or its title shall annul the transfer of the cleared non-operational land.

7.4 The Crown will not be liable to pay for, or contribute towards, the expense of erection or maintenance of any fence between the cleared non-operational land and any contiguous land of the Crown (unless it is the Crown that requires the fence in which case the Crown shall meet all the costs of erecting the fence), and:

**5.3 CLEARED NON-OPERATIONAL LAND  
TERMS OF TRANSFER**

**9. DISCLOSURE INFORMATION**

9.1 The Crown warrants to the relevant governance entity that the disclosure information in relation to the cleared non-operational land is all the material information about the cleared non-operational land that the land holding agency is aware of at the date of providing the information, having inspected its records but not having undertaken a physical inspection of the cleared non-operational land or made enquiries beyond its records.

9.2 Except as provided in paragraph 9.1, the Crown gives no representation or warranty (whether express or implied) nor accepts any responsibility with respect to:

9.2.1 the cleared non-operational land including as to its ownership, management, occupation, physical condition, use or compliance with:

(a) any legislation including by-laws; or

(b) any enforcement or other notice, requisition or proceedings issued by any authority, or

9.2.2 the completeness or accuracy of the disclosure information in relation to the cleared non-operational land.

9.3 The relevant governance entity acknowledge that (although the Crown is not giving any representation or warranty in relation to the cleared non-operational land except as provided in paragraph 9.1 of this part) the relevant governance entity had the opportunity prior to the cleared non-operational land settlement date (in addition to being able to examine the disclosure information) to:

9.3.1 inspect the cleared non-operational land; and

9.3.2 determine its state and condition.

**10. DELAYED TRANSFER OF LEGAL TITLE**

10.1 The Crown covenants for the benefit of the relevant governance entity that it will:

10.1.1 arrange for the creation of computer freehold register(s) for the cleared non-operational land that:

(a) is not contained in a computer freehold register; or

(b) is contained in a computer freehold register or registers but together with other land; and

10.1.2 transfer the fee simple estate in the cleared non-operational land to which paragraph 10.1.1 applies as soon as reasonably practicable after complying with that paragraph in relation to the property but not later than 12 months after the cleared non-operational land settlement date (unless otherwise agreed in writing between the parties).

10.2 The covenant given by the Crown under paragraph 10.1 shall have effect and be enforceable, despite being positive in effect and there being no dominant tenement.

5.3 CLEARED NON-OPERATIONAL LAND  
TERMS OF TRANSFER

10.3 If paragraph 11.1 applies then, for the period from the actual cleared non-operational land settlement date until the date that the Crown transfers the title to that the cleared non-operational land to the relevant governance entity:

10.3.1 the relevant governance entity will be the beneficial owner of that land; and

10.3.2 all obligations and rights will be performed and arise as if full legal title had passed to the relevant governance entity on the actual cleared non-operational land settlement date.

11.2 If, without the written agreement of the parties, settlement is not effected on the cleared non-operational land settlement date then without prejudice to the rights of the party not in default the following provisions shall apply:

11.2.1 either the Crown or the relevant governance entity may at any time after the cleared non-operational land settlement date serve on the other of them notice in writing ("**settlement notice**") to effect settlement but the notice shall be effective only if the party serving it is at the time of service either in all material respects ready able and willing to proceed to effect settlement in accordance with the settlement notice or is not so ready able and willing to effect settlement only by reason of the default or omission of the other party. For the sake of clarity the relevant governance entity acknowledge that it may not serve a settlement notice where there is a delay or transfer of legal title as contemplated by paragraph 10;

11.2.2 upon service of a settlement notice, the party on which the settlement notice is served shall effect settlement within 10 business days after the date of service of the settlement notice (excluding the date of service) and in respect of that period time shall be of the essence but without prejudice to any intermediate right of cancellation (if any) by the other party; and

11.2.3 if the party in default does not comply with the terms of a settlement notice then without prejudice to any other rights or remedies available to the party serving the settlement notice at law or in equity that party may cancel the agreement constituted by paragraph 2.1 of part 5.1 by written notice.

6.1 LEASEBACK LAND - RIGHT TO ACQUIRE

RIGHT OF SELECTION OVER LEASEBACK LAND

1. NOTICE OF INTEREST

- 1.1 By 31 December 2010 ("review date") the Crown will advise the governance entity, the Ngāti Apa ki te Rā Tō Trust and the Rangitāne o Wairau Settlement Trust of the Airbase land that is required for NZDF operational purposes and the Airbase land that is required for any other public work ("leaseback land"). The notice given by the Crown under this paragraph 1.1 shall be in writing and given by personal delivery by way of tracked courier to the recipients' street addresses.
- 1.2 The governance entity may at any time within 40 business days from and after the offer date give notice to the Crown that the governance entity is interested in acquiring:
- 1.2.1 all the leaseback land; or
- 1.2.2 all of any area of the leaseback land that will be subject to a single lease for a public work ("**single lease area**").
- 1.3 Upon expiry of the time period in paragraph 1.2, the Crown will immediately notify all the governance entities of which governance entities, if any, are interested in acquiring all of the leaseback land or any one or more single lease area ("**interest notice**"). If the Crown has not received notice from a governance entity within the time period set out in paragraph 1.2, the Crown will be entitled to treat that lack of a response as notice that the governance entity is not interested in acquiring all of the leaseback land or any single lease area.
- 1.4 If the Crown gives an interest notice that the governance entity, or the governance entity and any one or more of the other governance entities, is or are interested in acquiring all of the leaseback land or one or more single lease areas, then the governance entity or entities that are identified in the interest notice will, within 60 business days of receipt of the interest notice, decide on matters relating to the transfer of all of the leaseback land or one or more single lease areas ("**proposed transfers and leases**"), including:
- 1.4.1 whether the leaseback land or single lease areas are proposed to be transferred to the acquiring governance entities as tenants in common, and if so, in what shares;
- 1.4.2 whether the leaseback land or single lease areas are proposed to be transferred to the governance entity and/or Ngāti Apa ki te Rā Tō Trust and/or the Rangitāne o Wairau Settlement Trust as separate freehold computer registers; and
- 1.4.3 if the leaseback land or single lease areas are proposed to be leased by more than one governance entity, how the lessee/lessor relationship will be managed.
- 1.5 If requested by the governance entity or entities, the Crown shall participate in the process to assist the governance entity or entities to decide on the matters set out in paragraph 1.4. Throughout the process set out in paragraph 1.4, the Crown will, subject to any obligations of confidentiality that it may have, respond to reasonable requests from the governance entity or entities for information relating to the leaseback land, the single lease areas and/or the transfer process.
- 1.6 On or before the expiry of the time period in paragraph 1.4, the governance entity must notify the Crown in writing (with the written approval of any other governance entities that are identified in the interest notice) of the matters decided upon in paragraph 1.4 above ("**transfer notice**").

- 1.7 Within 20 business days of receiving the transfer notice the Crown, acting reasonably, may accept, or suggest amendments to the transfer notice.
- 1.8 The Crown will not accept and will suggest amendments to the transfer notice where the proposed transfer does not transfer either all of the leaseback land or all of any area of the leaseback land that will be subject to a single lease for a public work.
- 1.9 In deciding whether to accept or suggest amendments to the transfer notice pursuant to paragraph 1.7 the Crown will take into account the following matters:
- 1.9.1 whether the proposed transfers and leases are consistent with good commercial practice;
- 1.9.2 whether the proposed transfers and leases will unreasonably interfere, or make it impracticable for any lessee to conduct any identified public work on the leaseback land or single lease area;
- 1.9.3 whether the proposed transfers and leases will have a materially adverse effect on:
- (a) the operations currently being conducted on the leaseback land or single lease area (including managed infrastructure, buildings, services and utilities); and/or
- (b) the permitted use or future operations (including infrastructure, buildings, services and utilities) that will be conducted under any lease of the leaseback land or lease of a single lease area;
- to the intent that the proposed transfers and leases should not have any material adverse effect on any operations on the leaseback land or any single lease area before and after the actual leaseback land settlement date;
- 1.9.4 whether the proposed transfers and leases are consistent with the Crown's normal Treaty settlement policies in respect of the creation of computer registers.
- 1.10 If the Crown suggests any amendments in writing to the transfer notice pursuant to paragraph 1.7, 1.8 or 1.9, then the governance entity will have 20 business days to re-issue its transfer notice (with the written approval of any other governance entities that are identified in the interest notice) ("**amended transfer notice**").
- 1.11 Within 10 business days of receiving an amended transfer notice the Crown, acting reasonably, may accept or decline to accept the amended transfer notice issued under paragraph 1.10 and may have regard to the matters outlined in paragraph 1.8 and 1.9 in making its decision.
- 1.12 If the transfer notice or the amended transfer notice is not accepted by the Crown, then the Crown or the governance entity may give the other party notice in writing requiring that any dispute as to whether the proposed transfers and leases in the amended transfer notice addresses the Crown's requirements and concerns in paragraph 1.8 and 1.9 be determined by an arbitrator. The arbitrator is to have relevant commercial experience and is to be appointed by the president of the New Zealand Law Society and the party serving the notice may at any time after that refer the dispute to the arbitrator for determination under the Arbitration Act 1996.
- 1.13 If the Crown accepts a transfer notice or any amended transfer notice or the matter is determined pursuant to the dispute resolution process in paragraph 1.12 ("**Crown**

  - 1.15.2 notify the Crown in writing what shares in the leaseback land or any single lease area each governance entity shall hold if all of the leaseback land or any single lease area is to be transferred to more than one governance entity as tenants in common and the share is different to the shares described in the transfer notice or the amended transfer notice or as determined pursuant to paragraph 1.12; and
  - 1.15.3 provide to the Crown written certification from the governance entities identified in the interest notice that each is in agreement with the details confirmed in paragraphs 1.15.1 and 1.15.2.

10.2 The covenant given by the Crown under paragraph 10.1 shall have effect and be enforceable, despite being positive in effect and there being no dominant tenement.

6.3 LEASEBACK LAND  
TERMS OF TRANSFER

11.2 If, without the written agreement of the parties, settlement is not effected on the leaseback land settlement date then without prejudice to the rights of the party not in default the following provisions shall apply:

11.2.1 either the Crown or the relevant governance entity may at any time after the leaseback land settlement date serve on the other of them notice in writing ("**settlement notice**") to effect settlement but the notice shall be effective only if the party serving it is at the time of service either in all material respects ready able and willing to proceed to effect settlement in accordance with the settlement notice or is not so ready able and willing to effect settlement only by reason of the default or omission of the other party. 11.2.2 upon service of a settlement notice, the party on which the settlement notice is served shall effect settlement within 10 business days after the date of service of the settlement notice (excluding the date of service) and in respect of that period time shall be of the essence but without prejudice to any intermediate right of cancellation (if any) by the other party; and

11.2.3 if the party in default does not comply with the terms of a settlement notice then without prejudice to any other rights or remedies available to the party serving the settlement notice at law or in equity that party may cancel the agreement constituted by paragraph 2.1 of part 6.1 by written notice.
