SECTION TWO: PATUHARAKEKE'S SUBMISSION(S):

4. Key Points: Why Patuharakeke oppose the Ngatiwai Trust Board Deed of Mandate

Our key points:

Introduction

- 1.1 This submission is made by Patuharakeke Te Iwi Trust Board (PTB) on behalf of Patuharakeke hapu.
- 1.2 PTB is the mandated body to represent the interests of Patuharakeke regarding the negotiation and settlement of historic Treaty of Waitangi grievances.
- 1.3 Patuharakeke has claims currently before the Waitangi Tribunal, namely Wai 504, Wai 745, and Wai 1308. All of these three claims have been included in the Ngatiwai Trust Board Deed of Mandate ("NTBDM"). This submission represents the interests presented in Wai 745 and Wai 1308.
- 1.4 Prior to the delineation of land blocks by the Native Land Court, the area of Patuharakeke interests included:

"...all the lands beginning at Otaika verging on Toetoe...then west to Tangihua, then south verging on the east to Ruarangi then Taipuha, then south east through Mareretu then Piroa to Mangawhai north of the harbour, then due east to include the islands of the Mokohinau group then towards Te Akau (the coast) to include the islands of Maui i roto and Maui i taha, Marotiri, Taranga, Ngatuturu (Sail Rock) thence to Manaia and Whangarei Heads; thence up the Whangarei Harbour to incorporate Patungarahi (Snake Bank) onward to Parua and Solomon's Pt then Tamaterau and Pakikaikutu, Rahongaua, Ruakekeno, Tahunatapu, and to include interests in the islands of Motupomona, Motukawau, Motu Karoro, Pouroa, Okoko, Tongamatu, Ko Mapuro at the Whangarei Heads area and in Whangarei Harbour across and up to Tikorangi (Portland) and Otaika and Toetoe.

"The southern side of the harbour includes Toetoe, Otaika, Tikorangi, Te Mahe, Karoroni, Titahi, Mahakitahi, Pikopikokaumatua, Totara, Kahuitieke, Hira Aute (Hirauta), Springfield, Mangapai, Mata, Kopuawaiwaha, Pokapu, Waiorehua, Waiparaoa, Te Kapaha, Mangawhati, Te Wita, Te Papa, Toituroa, Waitoheroa, Kuramakanoa, Ngatiti, Motupapa, Takahiwai, Okotuku, Waikauwera, Koutu and Te Arakahika, Te Rauiri, Matakaka, Poupouwhenua, Pitotorea, Patupo, Tupehau, Ruakaka, Orua, Uretiti, Waipu, Te Paritu, Te Waionepu, Pukewherowhero, Kaiweka, Ohiha, Te Hau o Manaia, Orua, Waipapa,

Wakapakeke, Maia, Opatea, Haukawarua, Hikuware, Wharekura, Pohuenui, Pukehinau, Poherangi, Pukekaramarama, Te Raka, Puketotara, Roto Moeho, Te Kaweka, Te Taotaonoa, Te Haronga, Taumatatuhi, Kaupare, Te Kapewhiti, Te Raorao, Te Uriowhetau, Wakatarariki, then onward to the northern side of Mangawhai again.”¹

All the lands and waters, including swamps, lakes and ranges encompassed in this territory have traditionally been the domain of Patuharakeke or its ancient Aho Matua (parent grouping) with occasional seasonal rights such as patunga Kuaka, Parera, kopua Mango, Manu Oi shared in common with other related hapu.

In addition to the above Patuharakeke acknowledge shared mana whenua and mana moana to Tawhiti Rahi and Aorangi (the Poor Knights Islands) through Oneho the granddaughter of Motatau and their ancient Ngati Manaia whakapapa.

Other regions throughout the eastern seaboard from Te Rawhiti in the southern Bay of Islands to Motu Kokako (Piercy island) off Rakaumangamanga to Whangaruru, Mimiwhangata, Whananaki, Matapouri, Ngunguru, Tutukaka, Taiharuru, Pataua, Ohuatahi and Te Whara. From there to Aotea (Great Barrier), Hauturu (Little Barrier) and various areas of the coast right through to Mahurangi in the south hold significance for Patuharakeke, however it is acknowledged that they are attended to by whanaunga hapu who hold ahi ka roa in those rohe.

- 1.5 Patuharakeke have always acknowledged our whakapapa links to Ngatiwai through Manaia (1&2) and through the tupuna such as Te Taotahi and Te Ao Hei-Awa. However, Patuharakeke have not given any group, including Ngatiwai Trust Board (“NTB”), our mandate to settle our Treaty of Waitangi claims. We have also articulated this to all parties, including the Crown, and have stated that until we give this message directly, Patuharakeke holds its own mandate until further notice to all parties by Patuharakeke.
- 1.6 Patuharakeke have been managing our own environmental, legal and political matters ourselves but have sought to work collaboratively with others including NTB when this has been of mutual agreement and/or for specific purposes. This includes our attendance at various meetings we have attended to recognise our whanaungatanga-links. However, this does not and should not be fashioned to be tacitly giving our mandate to anyone.

¹ Patuharakeke Oral Korero

Our Submission

2 Patuharakeke oppose the NTBDOM for the following reasons:

2.1 NTB has not completed historical research on Treaty breaches for the area we refer to as te rohe o Patuharakeke. (We note that NTBDOM refers to this as the 'southern takiwa'). We also note that in our rohe there are three overlapping Iwi claimant groups who also claim our mandate (namely Te Runanga o Ngati Whatua, Tuhoronuku and NTB), to the exclusion of Te Runanga o Ngati Whatua, two are actively seeking to settle grievances inside our rohe without our permission. Te Runanga o Ngati Whatua have today confirmed their support to Patuharakeke and recognise our mana, autonomy and authority to settle our own treaty grievance settlements for Patuharakeke.

2.2 This is acknowledged on page 19 of the Ngatiwai Trust Boards Mandate Strategy ("NTBMS"):

"The remaining local areas yet to complete research are Pataua and Takahiwai. A summary of the claims to be put to the Crown has partially been completed based on generic research and those components of the local research completed for each of the three marae clusters."

2.3 Patuharakeke have completed our own comprehensive research which was presented before the Waitangi Tribunal in October 2013. Both Ngati Manuhiri and Ngati Rehua who were also part of the southern cluster referred to by NTB also completed their own research and have now progressed to separate negotiations/settlements with the Crown.

3 Ngatiwai have failed to achieve their mandate through a process that was "fair, open and transparent"

3.1 Patuharakeke were not notified when NTB initially began seeking the mandate in 2009 (letter from NTB to the Minister of Treaty of Waitangi Negotiations dated 30 November 2009), and were not given an opportunity at that stage to seek support for a separate settlement (as done by Ngati Manuhiri and Ngati Rehua). Patuharakeke have continuously maintained that we do not give our mandate to NTB to negotiate a settlement of its claims from the very beginning, yet NTB has failed to consider our views in the context of the mandate. To this end, since 2010, we had formally approached all Iwi that we tatau to, to clarify if, what or how, this might be achieved. As a result of this process conducted by Patuharakeke, and the respective Iwi responses, we have maintained our mandate.

3.2 Preliminary information sharing hui were held by NTB in early 2013. In terms of the purpose of these hui, page 26 of the NTBDOM states that "NTB held three preparatory information sharing hui to bring members up to date on a range of matters." Further, it is stated that "while debate and discussion was encouraged to help formulate ideas and build relationships the purpose of the hui was informative only."

3.3 These hui were followed up by two further hui with Patuharakeke specifically on 11 June 2013 and 23 July 2013. Given that these preliminary information sharing hui were focussed on being "informative" only, Patuharakeke were not given an opportunity to have their interests heard and considered by NTB. NTB states on page 28 of the NTBDOM that in all cases, "good progress was made with re-establishing positive working relationships in so far as discussions went."

3.4 However, at the meeting on 11 June 2013, Patuharakeke again maintained that we wanted our Wai claim numbers excluded from the NTB mandate (see notes from meeting attached). During this meeting NTB acknowledged that, "*Patuharakeke may have other options which may or may not include Ngātiwai; however we still intend to be open & transparent with you regarding our processes.*" It was also stated by Haydn Edmonds, Chairperson for Ngatiwai that NTB "*are aware that there are some that want to come with us & some that don't, however the door will be left open.*" The purpose of the meeting was whakawhanaungatanga and information sharing. Deborah Harding from Patuharakeke clarified that, "*Patuharakeke intend to continue the process through the Waitangi Tribunal until we get our sovereignty [recognised] and that we won't be doing anything until then.*" Merepeka Henley, Trustee for NTB affirmed to Patuharakeke that "*it's not our role as the trust board to step over you.*" Despite this, the Wai claims of Patuharakeke remained included in the NTB DOM.

3.5 At the meeting held on 23 July 2013 at NTB's invitation, Patuharakeke attended out of courtesy and to confirm our position. In response to NTB's presentation of the basic, generic information sheet regarding mandating process, Patuharakeke advised that we were still proceeding to Waitangi Tribunal hearing in October 2013 and that there was no material information for our purposes that could fashion a response as to giving mandate.

3.6 As a result of the 'generic preliminary only' nature of these information sharing hui, Patuharakeke declined any further discussions and invitations to meet NTB on the basis that nothing material could be progressed that would recognise Patuharakeke's mana in our rohe and that the meetings themselves could be fashioned as indirectly providing mandate.

3.7 Further, following a meeting of Wai claimants held on 3 December 2013, a letter dated 4 December 2013 (see attached) was sent to the Office of Treaty Settlements on behalf of claimants for WAI 246, 1148, 1529, 1528, 1954, 620, 688, 745, 156, 1308, 245, 1512. This letter clearly stated that the claimants collectively oppose the NTB DOM and request the removal of those Wai numbers from the NTB DOM. The whanau hapu claimants illustrated NTB's lack of engagement using the handling of the Ngati Manuhiri settlement and the Hauturu issue as examples of this. An urgent meeting with Minister Chris Finlayson was requested to discuss the serious concerns of the whanau hapu claimants.

4 The Disputes Resolution Process provided in the NTB DOM is not reliable and is an incomplete and therefore flawed process in our opinion

4.1 Page 35 of the NTB DOM acknowledges that following feedback from the various information sharing hui, "*a number of Wai claimants (or submitters with an interest in particular Wai claims) do not want their Wai claims included in the NTB mandate.*"

4.2 Page 36 of the NTB DOM illustrates that one of NTB's response to this was to implement "*a more formal dispute resolution process for claimants who have concerns about the way NTB is representing their interests in negotiations.*" As illustration this 'Amended Disputes Process' is outlined below.

"53. Amended Disputes Procedure

In the event that any dispute, difference or question arises between the NTB and any claimant and provided the dispute is clearly set out in writing by the claimants, the Ngatiwai Trust Board agree to act in good faith and for the advancement of settlement.

In particular:

▣ Ngatiwai Trust Board agree to provide a concise written reply of any dispute at the earliest opportunity.

SECTION TWO: PLEASE PROVIDE YOUR SUBMISSION(S) HERE:

In August 2014 Kaumatua, Paratene Te Manu Wellington te toru (Aka Uncle Sonny Wellington) recalled that Morore Piripi (Mororekai Kaupeka Piripi, Paramount Chief of Ngatiwai b;1881-d;1965) attended a hui at Ngunguru in 1949. The purpose of his hui was to support Hau Kainga of Ngunguru in the establishment of the Ngunguru Marae.

Paratene Te Manu Wellington te toru (Aka Uncle Sonny Wellington) stated, "*Morore Piripi from Whangaruru came to Ngunguru in 1949 and blessed the land the Marae stands on. I was 16 years old at the time and turned the first sod of earth to start the building of the Marae. Morore Piripi was a Ngatiwai Rangatira and Kaumatua from Whangaruru. Morore was the son of Henare Kaupeka Piripi, and the younger brother of Makere Piripi who was the matamua. Makere Piripi was married to Tame Haehae.*"

Paratene Te Manu Wellington te toru (Aka Uncle Sonny Wellington) further stated, "*Hare Te Ngore (Charlie Maki) was on the original committee to help build the marae because at that time there was no Marae at Matapouri. This arrangement worked well until around the 1970's when Churlie then decided to build a marae at Matapouri. This also linked us to Ivy who was a Reti from Waikare and this was a strong bond to our Whangaruru kin.*"

Paratene Te Manu Wellington te toru (Aka Uncle Sonny Wellington) added, "*The timber for the Marae was sourced from the Kauri forests in Ngaiotonga and was trucked to Ngunguru by Sonny Reti. This was in recognition of our common Ngatiwai whakapapa and Rhipaea, the first child of Mata Te Kura. Rhipaea's father was Haki Pere or Jack Bell a Pakeha. Rhipaea was secretly sent to Whangaruru as a child. There are clearly Ngatiwai interests in the Ngunguru rohe and in the rohe from Moto Kokako right down to Omaha.*"

Paratene Te Manu Wellington te toru (Aka Uncle Sonny Wellington) concluded, "*When I was young the relationships between Ngati Korora, Ngati Takapari and Te Waiariki was respected. We were governed by the Shark, the kaitiaki of the moana, and they believed in those things. A lot of how we determined who was where was based on our mana moana. Given that we were a small tribe at certain times this made us strong. There were boundaries of common use. For us it went up to the devils staircase just a bit north of Waiparoe. Also Motutara and Goat Is (Motokumi). Horahora comes out the creak and into Taihauruu. I tautoko what the Ngatiwai Trust Board are doing for our iwi. Kia rangimarie, te haerenga taki hia "*

In 1965 a gazette notice was issued setting aside land for the purposes of a Marae for the common use and benefit of the 'Waiariki sub-tribe of Ngatiwai.' (Document Attached)

The Marae charter (adopted at AGM on 25 September 2005) acknowledges that the members of the Ngunguru Marae include 'Ngatiwai, Ngati Takapari, Ngati Korora, Waiariki of the Ngunguru District' and are deemed to be members and beneficiaries of the Ngunguru Marae. The key point here is that this is another place that Ngatiwai is acknowledged as belonging to this rohe. (Document Attached)

The combination of these two documents also confirm that Ngatiwai have a long standing established and acknowledged presence in this area.

We also acknowledge our whanaunga of Te Waiariki. We tautoko their right to choose the path they wish to follow in order to settle with the Crown. We all still bury our deceased here, our ahi-ka still burns on our lands and as representatives of our marae we acknowledge our aroha for our whanaunga of Te Waiariki and Ngatiwai through our common bonds through Ngati Takapari.

4. Key Points: Why do you support or oppose the Ngatiwai Trust Board Deed of Mandate?
Please state your key points here in your own words

Ngunguru is very clearly within the Ngatiwai Rohe.

Our Marae is named Ngunguru Marae. The Wharenui of Ngunguru Marae is named after our Ngatiwai tupuna Paratene Te Manu, a contemporary of Te Moananui. Paratene Te Manu died in 1896 and before his death he claimed he was 100 years of age.

Paratene Te Manu is our tupuna and he identified himself as being of Ngatiwai descent, going back to Hikihiki, Tau Kokopu and Kau Te Awha. The pa site of Tau Kokopu is in the headlands in front of Philip Island, between Church Bay and Kowharewa Bay. The site of where Kau Te Awha stayed is in Church Bay. These places are all situated on the Ngunguru/Tutukaka coast.

Paratene Te Manu, in his own lifetime, was a recognised Rangatira of Ngatiwai. Paratene Te Manu is a recognised Rangatira of Ngatiwai today. Because of his mana and status within Ngatiwai he had inherited land throughout the rohe of Ngatiwai including on Hauturu, Tutukaka, Ngunguru and Whangaruru. Among this land Paratene Te Manu inherited was the land that Ngunguru Marae is now standing on, Tuateanui (2B1A).

Ngati Takapari is, in some ways, unique in that it is a hapu with claims and connections to Te Waiariki and Ngatiwai. It is through our Ngati Takapari whakapapa we exercise our Ngatiwai mana moana and Ngatiwai mana whenua. It has been a longstanding view by the people of Ngunguru and Tutukaka, in both tuturu Maori times and contemporary times that we share common tupuna and strong whakapapa links between Te Waiariki and Ngatiwai.

As the kaitiaki of Ngunguru Marae and the current Ngunguru Marae Trustees Committee we have acknowledged our Ngatiwai whakapapa and are rightfully represented on the Ngatiwai Trust Board. We stand by our right and the rights of those beneficiaries of Ngunguru Marae, registered with the Ngatiwai Trust Board, who have chosen to support the Ngatiwai Trust Board in its seeking a mandate.

Through our Ngatiwai whakapapa we exercise our Ngatiwai mana whenua, Ngatiwai mana moana and the right to allow the Ngatiwai Trust Board, on our behalf, to seek settlement with the crown on Ngatiwai issues and grievances in areas of Ngatiwai interests.

Statement of Association:

e.g. I am a kaumatua, chairperson, wai claimant or member of (x) marae or (y) hapu.

I am the chairperson of the Ngunguru Marae Trustees Committee. At a hui of the Ngunguru Marae Trustees in August 2014 I was tasked to write this submission. It is therefore on my and their behalf, and with the consultation and consent of Ngunguru Marae Trustees I am forwarding this submission. This submission also contains the input and endorsement of our Kaumatua, Paratene Te Manu Wellington te toru (Aka Uncle Sonny Wellington) and Kuia Erica Wellington.

The Late Kaumatua, Eric Wellington, also spoke to many of us of the korero contained in this submission and corroborated this view. Before his death Eric Wellington wrote a letter, dated 1 July 2013, to the Chairman of the Ngatiwai Trust Board to inform the Chair we had decided to give the Ngatiwai Trust Board our mandate. (Document Attached)

I have also attached a letter written by the Ngunguru Marae Trustees Committee, dated 13 August 2013, addressed to your office submitting that Ngunguru Marae be removed forthwith from the Ngapuhi/Tuhoronuku mandate. (Document Attached)

Dear Haydn,

Ref: Ngati Takapari mandate

Recently your representative Tania MacPherson attended a marae meeting at Ngungunu and presented the Board's information package regarding the Treaty Claim programme. We have been kept informed over the last three years of the Board's progress by our various marae representatives on the Board. Tania's presentation was very well received and we are very grateful to her for her time.

Our hapu is of course considering all of its options, and we do not have an elected hapu representative person or body. Therefore we will be responding to the call for mandate as individuals. As such, a number of our hapu have chosen to inform you that we have decided to give the Ngatiwhai Trust Board our mandate. Each of our members will contact you individually.

On another note, it has been pleasing to note your attendance at our recent series of kaumatua wanaunga.

Yours sincerely

Tuhoronuku Mandate Letter of Objection

As the Chairman and Marae Trustees and kaumatua of Ngunguru Marae we are writing to inform you of our objections to the inclusion of Ngunguru Marae in the Tuhoronuku/Ngapuhi Deed of Mandate. Although not all of the Ngunguru Marae trustees and kaumatua are signatories to this letter, this is due to our being unable to visit them for a personal signature within the time frame. It does not indicate that they do not join with us in our objection. There are a further three trustees.

We also wish to express our disappointed that those seeking a mandate on behalf of Ngapuhi have included our Marae without any discussions with us.

Ngunguru Marae is affiliated to the Ngatiwai Trust Board.

We submit that Ngunguru Marae be removed from the Ngapuhi/Tuhoronuku mandate forthwith.
