NEW AND ALTERED GEOGRAPHIC NAMES

In accordance with paragraph 4.1 of the General Matters Schedule of the Rangitāne o Wairau Deed of Settlement, this letter records that the following place name changes are added to the relevant tables within clause 5.18 of the Rangitāne o Wairau Deed of Settlement.

The following new geographic name will be assigned to the location set opposite it:

New geographic name	Location (NZTopo50 map and grid references)	Geographic feature type
Waikārapī Lagoon	BR29 904 007	Lake

The following geographic name will be altered to the geographic name set opposite it:

Existing geographic name	Altered geographic name	Location (NZTopo50 map and grid references)	Geographic feature type
Gibsons Creek	Ruakanakana Creek	BR28 627 003	Stream

These new and altered geographic names listed above were agreed between the Crown and Rangitāne o Wairau in Treaty settlement negotiations but, despite the understanding reached between the negotiations parties, were inadvertently omitted from the Deed of Settlement signed in 2010. To affirm the above additions to clause 5.18 of the Rangitāne o Wairau Deed of Settlement, I invite one of the trustees from the Rangitāne o Wairau Settlement Trust to please sign this letter in the space provided.

Subject to the counter-signing of this letter, the Office of Treaty Settlements will instruct the New Zealand Geographic Board Ngā Pou Taunaha o Aotearoa (NZGB) that on the basis of this letter the two above names should be treated in accordance with sub-part 7 of part 2 of the *Ngāti Apa ki te Rā Tō, Ngāti Kūia, and Rangitāne o Wairau Claims Settlement Act 2014*. To meet the timeframes for publication in the New Zealand Gazette, NZGB will require receipt of this letter by midday 4 August 2014.
