AND MATTERS FOR AGREEMENT**

Crown Expectations For Treaty Settlement Negotiations

Purpose of this document

1. This document:
 - 1.1. records the Crown's expectations for negotiating the settlement of historical Treaty of Waitangi claims of Te Whānau a Apanui with Te Whānau a Apanui Negotiation Team; and
 - 1.2. is not legally binding and does not create a legal relationship.

Objective of the Negotiations

2. The Crown's objective of the negotiations is to negotiate in good faith a settlement of the historical claims of Te Whānau a Apanui that:
 - 2.1. is comprehensive, final, durable and fair in the circumstances;
 - 2.2. recognises the nature, extent and injustice of breaches of the Crown's obligations to Te Whānau a Apanui under Te Tiriti o Waitangi / The Treaty of Waitangi and its principles and, where appropriate, acknowledges the effect of these breaches on the economic, social, cultural and political well-being of Te Whānau a Apanui;
 - 2.3. provides a platform to assist Te Whānau a Apanui to develop their economic base. In addition, the Crown acknowledges that Te Whānau a Apanui may view the settlement as a means of enhancing the social, cultural and political well-being of Te Whānau a Apanui;
 - 2.4. enhances the ongoing relationship between the Crown and Te Whānau a Apanui (both in terms of Te Tiriti o Waitangi / The Treaty of Waitangi and otherwise);
 - 2.5. restores the honour of the Crown; and
 - 2.6. demonstrates and records that both the Crown and Te Whānau a Apanui Negotiation Team have acted honourably and reasonably in negotiating the settlement.

Actions Enabled by Final Settlement of All Claims

3. The final settlement of all the historical claims of Te Whānau a Apanui will enable the:
 - 3.1. release and discharge of all of the Crown's obligations and liabilities in respect of those claims;
 - 3.2. discontinuance of the Office of Treaty Settlements landbank arrangement for the protection of potential settlement properties for the benefit of Te Whānau a Apanui;
 - 3.3. removal, for the benefit of Te Whānau a Apanui, of:
 - 3.3.1. statutory protection for claims against the Crown;
 - 3.3.2. any resumptive memorials from the titles of land subject to the State Owned Enterprises Act 1986, the Railways Corporation Restructuring Act 1990, the Crown Forest Assets Act 1989 and the Education Act 1989;

- 3.3.3. removal of the jurisdiction of the courts, the Waitangi Tribunal, and any other judicial body or tribunal in respect of the historical claims of Te Whānau a Apanui, the deed of settlement, the redress provided or settlement legislation (but not for the removal of such jurisdiction in respect of the implementation or interpretation of terms in any deed of settlement or any settlement legislation); and
- 3.3.4. discontinuance of any legal proceedings or proceedings before the Waitangi Tribunal in relation to the historical claims of Te Whānau a Apanui.

Matters Unaffected by Settlement

4. The settlement will not:
 - 4.1. diminish or in any way affect any rights that Te Whānau a Apanui have arising from Te Tiriti o Waitangi / The Treaty of Waitangi and its principles, except to the extent that claims arising from those rights are settled;
 - 4.2. extinguish or limit any aboriginal or customary rights that Te Whānau a Apanui may have; or
 - 4.3. have the effect of granting, creating, or providing evidence of any rights or interests under the Marine and Coastal Area (Takutai Moana) Act 2011, nor does it affect the ability of the iwi or hapū to make applications for recognition of protected customary rights or for customary marine title under the same Act, or pursue any other remedies available to them.
5. In addition, the settlement is not intended to affect any decision, proposal or report of Te Ohu Kaimoana either under the Māori Fisheries Act 2004 or in respect of the "fisheries" deed dated 23 September 1992.

Definitions

6. The Crown's understanding is that the Deed of Mandate for Te Whānau a Apanui Negotiation Team sets out:
 - 6.1. that Te Whānau a Apanui Negotiation Team has been mandated by the hapu of Te Whānau a Apanui to progress the settlement negotiations on behalf of Te Whānau a Apanui; and
 - 6.2. who Te Whānau a Apanui is and the scope of their historical Treaty of Waitangi claims.
7. The definition of Te Whānau a Apanui and Te Whānau a Apanui historical claims may be further developed by the Crown and Te Whānau a Apanui Negotiation Team during the negotiations for inclusion in the deed of settlement.
8. The Public Finance Act 1989 contains a definition of the Crown.

Other Matters

9. This document, and any negotiations held, do not bind the parties to reach a settlement. All agreements reached during negotiation are not binding on either party until and unless expressly provided for in the signed deed of settlement and settlement legislation.

10. Crown guidance on the process for negotiations is set out in *Healing the Past, Building a Future: A Guide to Treaty of Waitangi Claims and Negotiations with the Crown*.

Conduct of Negotiations

11. The Crown and Te Whānau a Apanui Negotiation Team agree:

- 11.1. negotiations will be on a "without prejudice" basis and will be conducted in good faith and a spirit of open communication;
- 11.2. negotiations will be conducted privately and in confidence between parties unless the parties agree otherwise;
- 11.3. any agreement reached in the course of negotiations will remain confidential to the parties unless they agree otherwise;
- 11.4. to make media statements only when mutually agreed;
- 11.5. the Crown may be required by law to release information about the negotiations (for example, under the Official Information Act 1982);
- 11.6. they may agree to extend their confidential negotiations to include neighbouring iwi and local and regional councils;
- 11.7. the extended negotiations can apply to some or all of the issues in the negotiation;
- 11.8. other interested groups included in the extended negotiations will be expected to agree to the same obligations of confidence to join the negotiations;
- 11.9. for example, the Crown and Te Whānau a Apanui Negotiation Team may agree to include one or more neighbouring groups in negotiations to jointly address common redress sought by the groups and the overlapping interests of the neighbouring groups;
- 11.10. to ensure regular and appropriate internal communication procedures through the negotiations;
- 11.11. Te Whānau a Apanui Negotiation Team will provide the Office of Treaty Settlements (OTS) with reports on the state of its mandate every 3 months and OTS will advise Te Whānau a Apanui Negotiation Team of any correspondence it receives about the mandate of Te Whānau a Apanui Negotiation Team;
- 11.12. during negotiations neither Te Whānau a Apanui Negotiation Team nor the registered claimants of Te Whānau a Apanui will pursue any legal proceedings relating to the subject matter of negotiations; and
- 11.13. if notwithstanding clause 11.12 Te Whānau a Apanui Negotiation Team or the registered claimants initiate legal proceedings relating to the subject matter of negotiations, the Crown will consider its position and may withdraw from negotiations.

Overlapping Interests

12. The overlapping interests of all groups, either settled or unsettled, must be addressed to the satisfaction of the Crown before a deed of settlement is initialled.

13. Redress negotiated as part of the deed of settlement may need to reflect the significance of an area or feature to overlapped groups.
14. The Crown will encourage Te Whānau a Apanui Negotiation Team to engage with neighbouring groups from the outset of negotiations to agree how any interests in overlapped areas should be provided for.
15. The Crown will assist Te Whānau a Apanui Negotiation Team by providing information on proposed redress items to groups with overlapped interests and facilitating discussions to resolve issues.
16. The Crown's preference is that groups decide between them how best to deal with overlapped interests. If this is not possible, a Ministerial decision may be necessary.
17. Where the Crown is engaged in negotiations with claimant groups whose rohe overlap, the Crown will regularly update each mandated body on the progress of each negotiation (but will preserve any necessary confidentiality of information in those negotiations).
18. Where the Crown becomes aware that the mandated representative of another claimant group has expressed an interest in potential redress within an area in which Te Whānau a Apanui has either expressed or is known to claim an interest, the Crown, before finally offering the particular redress item or asset for inclusion in a settlement, will:
 - 18.1. notify Te Whānau a Apanui Negotiation Team of the shared interest; and
 - 18.2. facilitate a discussion between the relevant mandated representatives in order to attempt to resolve, at an early stage, any potential conflicts between claimant groups about the potential redress.
