1. Overview

- 1.1. The Whanganui Lands Settlement Negotiation Trust (**WLS Negotiation Trust**) has been established by the Whanganui Land Settlement Group (**the Settlement Group**) to seek a mandate to represent the Whanganui Land Settlement Large Natural Group (**Whanganui Land Settlement**) in Treaty of Waitangi claims that relate to the Settlement negotiations with the Crown.
- 1.2. As an outcome of various groups within the Settlement Group withdrawing from the Group and wanting to lead their own settlement negotiations a new working group was formed between Ngāti Hāua, Ngāti Rangī and Uenuku.
- 1.3. The new Whanganui Collective developed **Te (Kaupapa Matua) Tō Ngā Take Tiriti Mō Whanganui Nui Tonu** - the Whanganui Overarching Strategy for Settlement Process.
- 1.4. In June 2013 Te Kaupapa Matua was presented to Office of Treaty Settlements (**OTS**) as part of the strategy to move forward.
- 1.5. Te Kaupapa Matua was agreed to by the Crown and from it the large natural grouping of Ngāti Hāua, Ngāti Rangī and Uenuku were established.
- 1.6. It is from these beginnings that the Whanganui Land Settlement Negotiation Trust was established.

2. Vision

“Whanganui will be a positive and responsible tribal nation with the capability to act and live as a tribe that is vibrant, strong, robust and prosperous culturally, socially, environmentally and economically”.

3. Founding Principles

Wairuatanga	To encourage, maintain and promote spiritual identity and connection with our taonga, the spiritual existence, intertwined with the physical. It is expressed through the intimate connection of our people with the Maunga, Awa, Moana, Tupuna and Atua
Whakapapa	The definition of our Whanganui Iwi, hapū and who we are – this is the bridge that links us to our land and Tupuna.
Whānaungatanga	The understanding of relationships of Whanganui Iwi/hapū that includes rights and responsibilities consistent with being part of a collective. It is the principle which binds our Whanganui Iwi/hapū, and affirms the value of collectiveness.
Kotahitanga	The principle of unity, of moving together as Whanganui Iwi with purpose and vision to advance our land claims for the mutual benefit for Whanganui Iwi/hapū, and celebrating our Whanganui Iwi diversity
Rangatiratanga	To advance and promote Whanganui Iwi self-determination, an expression of the characteristics of people who show humility, leadership by example, generosity, diplomacy and knowledge throughout the land negotiations to benefit our Iwi and hapū.
Manawhenua	The principle that connects Whanganui Iwi/hapū to our land, reaffirming this by the right of whakapapa. It defines our turangawaewae and ukaipo, these places where we belong.
Manaakitanga	The principle of behaviour and attitude that encourages the upholding of our Whanganui Iwi tikanga, that acknowledges the mana of others, as expressed through sharing resources, ideas, expertise and having trust and respect for each other throughout the land negotiations.
Te Reo	Our language that embodies, encompasses, expresses and defines our kawa, tikanga, values and beliefs of our Whanganui Iwi world-view.
Kaitiakitanga	To provide a clean, safe and healthy environment by promoting the protection and restoration of our whole environment as Whanganui Iwi/hapū.
Whakarauhiitanga	To ensure that all within Whanganui Iwi are open, accountable and transparent to each other's Iwi/hapū as well as having excellent communication mechanisms that continually inform and update Whanganui Iwi/hapū during the land claims negotiations.

4. Claimant Definition

ANCESTRY

- 4.1. "The following tribal maxim defines the ancestral rootstock of the undersigned hapū/ tupuna:

Ko Matua te Mana te pou tuarongo,
 Ko Te Awa o Whanganui te pou mua,
 Ko Ruatipua, ko Paerangi o Te Moungaroa nga maihi.
 Nei ra Te Whare Kaho o Whanganui."
 "Matua te mana is the back pillar,
 Te Awa o Whanganui is the front pillar,
 Ruatipua and Paerangi o Te Maungaroa are the side pillars,
 Such is the genealogical architecture of the House of Whanganui!"

- 4.2. For the purpose of Treaty Settlement negotiations, Whanganui Land Settlement means the collective group of hapū/individuals who exercised tupuna/customary rights within the defined Whanganui Land Settlement Rohe by virtue of being descended from one or more of the tupuna listed below and a recognised tupuna of any of the hapū listed at 5.2:

- 4.2.1. Ruatipua
- 4.2.2. Paerangi;
- 4.2.3. Haunui a Paparangi;
- 4.2.4. Hinengakau;
- 4.2.5. Tamaupoko;
- 4.2.6. Tupoho; and
- 4.2.7. Te Awa Iti.

5. Iwi/Hapū/Marae

- 5.1. WLS Negotiation Trust has identified 14 Marae that relate to the Whanganui Land Settlement rohe. The WLS Negotiation Trust accept that some of these marae affiliate to neighbouring LNGs. The WLS Negotiation Trust acknowledges the close whakapapa connections with these groups and their marae.

- 5.2. Whanganui Land Settlement includes every whānau, hapū or group to the extent that it is referred to above, including the following hapū that affiliate to the lower reaches of Whanganui

Ngāti Kurawhatia (shared)	Ngāti Tuera
Ngāti Hau (shared)	Ngāti Tumango
Ngāti Haunui ā Paparangi	Te Awa Iti (including Ngāti Hine, Ngāti Ruwai and Ngāti Waikarapu)

- 5.3. WLS Negotiation Trust is also seeking the mandate to represent Ngāti Patutokotoko insofar as it relates to the tupuna listed in 4.2. The inclusion of Ngāti Patutokotoko in this Deed of Mandate does not exclude Ngāti Patutokotoko or any historical claims made on behalf of Ngāti Patutokotoko from being included in other large natural group's claimant definition to the extent that they are based on descent from tupuna other than the tupuna of WLS Negotiation Trust identified in 4.2.

- 5.4. The WLS Negotiation Trust recognises its relationship with its whanaunga of Ngā Wairiki, noting that the Ngāti Apa (North Island) Claims Settlement Act 2010 settled all the claims of Ngā Wairiki.
